Ok gentlemen, I have had about enough.

This is going to stop, and it is going to stop TODAY. If it doesn't, Mr. Retzlaff and his cronies are going to have a hell of a lot more to worry about than just my lawsuit. I am not going to tolerate this anymore, and if you construe this as a threat, then by all means go and do what you need to do.

The motherfucking state bar can have my license for all I care. I am not going to continue to be harassed by this psychopath.

Hello fatso! I just heard the wonderful news - you lost yet another client. How terrible (not so terrible).

Is it also true that both Retzlaff and Dorrell will be going to new york city to take a video deposition of Gavin McInness and Talib Kweli? bad news for you and the proud boys. But if Retzlaff is in new york city and I am here in southern California, that will be proof that he and i are not the same person right? boy won't you look stupid then!

how much longer until you completely run out of money? don't you have a car loan with JP Morgan Chase on a mustang?

I suspect that things are going to get much worse for you, until they get even more worse.
